

MOBILE ELECTRONICS PRO-SERIES

Cradle-iT™ Dash Mount

MOBILE ELECTRONIC DASH MOUNTING HARDWARE

UNIVERSAL

DASH

iPhone
& iPod

CELL PHONE

BLACKBERRY

The ideal dashboard mounting solution for your smartphone. Cradle-iT features Temporbond -- our patented, breakthrough technology that allows you to mount it on any smooth or textured surface and view your device in portrait or landscape mode.

Cradle-iT's compact size makes for easy portability from car to car or when traveling. The cradle holder uses tension-mounting technology to securely hold any smartphone or mobile device while you drive.

FEATURES

- Unique cradle design securely grips your device, with or without a case
- Mounts to most hard or textured surfaces, including your windshield
- Cradle design allows full access to all device controls
- Portable design for easy installation and removal
